

Improvement In Phone Service Promised Here

Long Distance Calls Will
Be Processed Via
Reno Office

Howard Newsham, Truckee district manager for the Pacific Telephone Company, today announced that changes in the operating methods are being made here which will improve the telephone service.

The new plan contemplates that long distance calls out of Truckee will be processed and timed by Reno operators.

This will allow the Truckee operators to devote their entire time to the handling of local calls, Newsham said. It will not mean the elimination of any of the present staff but as a matter of fact positions are currently open for new employees, the manager said.

The new method is scheduled to go into operation Saturday morning and the placing of long distance calls will be simplified to the extent that after contacting the local operator and asking for long distance, the call will be immediately transferred to Reno and dialed directly from there. The program will not eliminate the necessity of using the hand crank to reach an operator and it is not announced if or when this system will be replaced in Truckee.

Newsham said telephones in service here have increased 30 per cent in the past five years and that there are now more than 600 station connections to the local system. The gain is reflected in the fact that 50 new telephones have been added this year.

BOY WRECKS CAR IN WILD DRIVE EAST OF TOWN

The wanderlust of a 14 year old Sacramento boy came to an abrupt and nearly disastrous end Sunday evening when he wrecked his father's 1952 model sedan and damaged a car and trailer driven by Joseph Newell of Sacramento a mile east of the Flycasters.

State Patrolmen William Gausche and Martin Sturcke were warned by a Truckee service station operator shortly before the crash that the boy had stopped there for gas and proceeded east. A few minutes later the patrol received word that the big sedan had run into the rocks, careened across the highway and smashed into the Newell vehicles.

Fortunately no one was seriously injured. The boy's father reached Truckee shortly after the incident and promised to take care of the culprit as well as the citation for speeding, driving without due caution and not having a driver's license.

STATION OPERATOR BURNED BY STEAM

Henry deFluiter, operator of the Associated Y service station near here, was treated at the Tahoe Forest Hospital last week for second and third degree burns on his face and right hand. deFluiter was removing a radiator cap from a truck and the boiling water exploded into his face. He has returned to his job.

MRS. PEDLEY HURT IN AUTO ACCIDENT

Mrs. Fred Pedley of Soda Springs was treated for a knee injury resulting from an automobile collision on Donner Summit at 7:30 last Thursday evening.

The Pedley station wagon was badly damaged when it was struck by a car driven by William Graves, 26, of Ogden, Utah. Graves was cited for attempting to pass a truck without sufficient clearance and posted \$25 bail in the justice court.

The Graves car hit both the truck and Mrs. Pedley's vehicle but no one was seriously hurt apparently.

Sam Follett, S.P. Veteran, Retires After Fifty Years

Another of Truckee's veteran Southern Pacific employees, Samuel A. Follett, retired from the railroad service last week after 49 years with the company, 29 years of which were spent with the water service in Truckee.

Follett, a native of Virginia City, Nevada, came to Truckee from Carson City in 1900 where he was employed by the Wells Fargo Express Company at the local office during each summer season.

In 1903 he joined the S. P. train service and was a brakeman for ten years. In 1913, while employed on a work train engaged in the construction of the Spaulding Dam in Bear Valley, he was injured and for three years was unable to resume his work.

In 1915 he transferred to the telegraph department and was employed at Blue Canyon, Emigrant Gap and Tunnel Six on Donner Summit until 1923. The double tracking over the Hill at that time threatened the employment of a number of telegraphers and Follett, desiring to remain in this region, joined the water department at Truckee, a position he has held since that time.

Mr. and Mrs. Follett occupy a home near the Veterans Memorial Building and expect to stay there in the future, preferring to reside here to leaving for a possibly milder winter climate. The couple's one son, Marion, is employed at Ukiah with the Bank of America. His many friends will join in extending to Follett best wishes on his retirement.

FIVE BIRTHS AT LOCAL HOSPITAL IN PAST WEEK

The Tahoe Forest Hospital during the past week did a thriving baby business, there being five newcomers welcomed during that period.

Mr. and Mrs. Nelson Stone of the U. S. Forest Service at Truckee are parents of seven pound 15 ounce Patricia Maureen, born at 9:37 p.m. October 27.

Vincent Bernard is the name of the eight pound, 13 ounce son born at 2:49 a.m., October 29, to Mr. and Mrs. William Cook of Lake Tahoe. Cook is also employed by the U. S. Forest Service.

At 5:13 a.m. November 1 Steven Laurence, seven pounds, 14 ounces, arrived for Mr. and Mrs. Leonard Bowman of Truckee.

On November 3 at 8:09 a.m. Mr. and Mrs. Emil Sattler of Tahoe City welcomed a baby daughter, six pounds 10 ounces, whose name is Darlene Jane.

The same day, November 3, at 2:35 p.m., a son was born at the hospital to Mr. and Mrs. Lloyd Decker of Kings Beach. He weighed six pounds 15 ounces but his name was not immediately listed.

Singers Are Wanted For Christmas Choir

Singers, both men and women, who wish to be a part of a choir to be formed Monday evening at 8 p.m. in the Truckee Community Church are asked to volunteer. Gerald Waters of Tahoe City will direct the music to be heard at Christmas and all are welcome to attend the opening meeting.

Husband of Visitor Dies in Texas Accident

Earl Brown of Brown's Cafe has received word from Texas telling of the accidental death of his brother-in-law, John Wright. Details were not immediately learned. The victim's wife, Helen, sister of the local man, visited here with her father, J. T. Coleston, last winter for several weeks.

The latter expired following an illness at his Texas home two months ago.

From Nevada— Mr. and Mrs. Andre Oroz, former Truckee residents, were visiting with relatives and friends from their home at Gardnerville, Nevada, Tuesday.

At Local Station—Greg Browne of Tahoe City has joined Henry deFluiter in the operation of the Associated Y station west of Truckee.

Rowe, Tobiasen Lose As Change Made On Board

Paoli Holds Narrow Lead
In Placer County's
4th District

Of the three Nevada County supervisors seeking reelection this year, only one, Henry G. Loehr of Truckee, was successful. Loehr won by a narrow margin at the primary to represent the Fifth District.

Frank J. Rowe of the Second District was unseated by a plurality of 660 votes at Grass Valley by his opponent, John L. Frank, while Carl J. Tobiasen had apparently lost to Curtis R. Clark of Nevada City in the First District by a spread of 122 votes. In the latter district there are 299 absent voters' ballots yet to be counted.

The score:
First District: Clark 1221, Tobiasen 1099.
Second District: Frank 2717, Rowe 2057.

Paoli Leads
In Placer County's contest in the Fourth Supervisorial District, including the Kings Beach area, the incumbent Frank Paoli was leading Lynford Lardner, former highway patrolman, 1118 to 1020 in a close race which could well be decided by the 279 absentee ballots, on the basis of unofficial returns.

DAMAGE AWARD MADE IN ACTION FOR CAR MISHAP

Damages in the amount of \$15,000 were awarded in district court at Reno to 15-year-old Sharon Nelson of Tonopah, who was injured in an accident near Boca August 17, 1951.

The suit was instituted by Sharon's parents, Mr. and Mrs. Henry G. Nelson who, in a second action, were awarded an additional \$2,135 for their daughter's medical expenses and the loss of her services and earnings.

Defendant in the action was Earl C. Sloan, administrator of the estate of Frank S. Sawyer, Sharon's uncle. Sawyer was the driver of the car in which Sharon was injured. Both Sawyer and Mrs. Joseph Noya of Antioch, Calif., were killed in the accident which occurred when the Sawyer vehicle collided with a car driven by Glen Bowman.

Sharon was awarded the full \$15,000 requested in her suit. Mr. and Mrs. Nelson had asked for \$6563.30 but were awarded only \$2135.

STUDENT HURT IN GRID GAME

William Walker, a student at the Tahoe-Truckee High School and son of Mr. and Mrs. James Walker of Tahoe Vista, is recovering in the Tahoe Forest Hospital from back injuries resulting from playing football at Chester last week.

Bill was struck by a group of Chester players on the kickoff, just after he had caught the ball on the opening play. He was taken to the Westwood hospital and removed to Truckee during the week end.

He expects to leave the hospital in a few days but will be out of the game for the rest of the season.

Mr. and Mrs. B. W. Reynolds accompanied Mr. and Mrs. Tom Bonano on a trip to Las Vegas, returning here to vote Tuesday.

Sun Beams by Walter M. Barrett

Truckee voters, by casting 624 ballots in Tuesday's election, in which no immediate local issues were involved, gave ample evidence of the community's strength at the polls. Through a united front it is more than possible for local electors to hold a balance of power in county and district politics, a fact which should be given consideration by those who depend upon the electorate for approval. We do not question the ability of local voters to form a front in event that is ever necessary to demonstrate the strength of the community.

Already thoughts are turning to Christmas shopping, and with the theme of the Chamber of Commerce on trade at home, we would like to go on record as being wholeheartedly in support of this project. Every year your local merchants exert themselves to be of service by stocking new quality merchandise for Christmas gifts at prices as low or lower than in cities of greater size. Why not make this a 100 per cent trade at home Christmas. By so doing you are not only helping your neighbor but are doing yourself a service.

NEVADA CITY MAN HELD TO ANSWER ON THEFT CHARGE

Andy B. Nichols of Nevada City was held to answer to the superior court on a charge of grand theft following a preliminary hearing before Judge F. W. Wilson here yesterday. He is at liberty under \$250 bail, posted following his arraignment last week.

Nichols is accused by Dr. Oliver Scow, Truckee dentist, with stealing a horse on October 25.

In the meantime, Harold Berliner, Nevada City attorney, has been retained by Nichols in a civil action directed against Dr. Scow for recovery of the animal which Nichols alleges he owns. The civil action seeks return of the horse and payment of \$5 a day for the time it is held by the dentist.

Nichols was apprehended riding the horse up Donner Grade after it disappeared from a pasture where it was kept.

Although Dr. Scow contends he has a bill of sale for the horse, Nichols said it did not come from him. He alleges he bought the horse March 22, 1951, and that she is valued at \$450.

Wardman to be Speaker At Next P.T.A. Meet

Children selected from all grades of the elementary school will participate in the program planned for Monday evening, November 10, when the next meeting of the Parents and Teachers Association will be held. The program will commemorate American Education and Book Week from November 9 through 15.

The principal speaker for the program will be John Wardman, administrator at the Tahoe Forest Hospital. All members and guests are invited to attend. Refreshments will be served at the conclusion of the session, to be held at the elementary school.

Maurice Franzinis Move To Home Near Auburn

Mr. and Mrs. Maurice Franzini, former well known Truckee residents, are comfortably located in their new home between Auburn and Colfax where they have purchased a small tract of land. They sold their home here on the south side of the Truckee River to Oscar Schumacher who will use it for rental property. The Franzinis will be missed by their many Truckee friends. They were here Tuesday to vote and move their belongings to their new home.

residence.

In Southland—Miss Ruth Burrell was a visitor to Los Angeles and San Bernardino this week.

Back Home—Mrs. Lawrence Owens returned Tuesday from a visit in San Francisco.

Wins Victory

By the greatest popular vote in history, Dwight D. Eisenhower was elected president of the United States as head of the Republican ticket.

Illegal Cutting Of Christmas Trees Charged

Joseph Renaldi, 31, an Oakland storekeeper, is slated to appear Friday before Judge C. W. Vernon at Tahoe City on a charge of cutting 75 Christmas trees from U. S. Forest Service land at the Goat Ranch near Tahoe without authorization.

Renaldi was cited Monday by Nelson Stone of the forest service who charged that Renaldi was cutting down trees and removing the tops on the property.

The defendant was permitted to keep the trees but was assessed triple the minimum stumpage of 15 cents a foot, Stone said.

Renaldi told Stone, according to the latter, that he was cutting from the land because he purchased trees out from that section last year. At that time, Stone said, no authorization was given and an investigation is being made to determine who cut the trees there a year ago.

Stone said a constant patrol is being attempted by the forest service to prevent illegal cutting and said that arrests would be made in every case where violators are apprehended.

Because of the scarcity of suitable trees in the area, Stone indicated, violations are becoming more frequent as dealers vie for choice stock. Additional patrolmen are being employed in the forest as the season advances.

STUDENT SPEAKER AT ROTARY MEET

Charles Osburn presided at the meeting of the Rotary Club held in Brown's Cafe Monday. Miss Dorothy Thomas of Sacramento, a student of the Rotary International Foundation who attended the University of Edinburgh in Scotland last year and visited in European cities, gave a vivid account of her research for the evening's program.

Guests were Robert Stoddard, president of Reno Rotary Club; Frank Tracey, Reno; F. R. Sodaliski, Loyalton; Bud Ramsey, Wm. Englehart Sr., Charles Heller, Archie Reuck, W. Rex Thomas and Charles F. Moore Jr., all of Truckee, and John Houtman, Soda Springs.

ZUNINO REPORTS ON VISIT TO ITALY

Jerry Zunino, accompanied by his grandson, Johnny Zunino from Elk Grove, returned this week from an extended visit in his native Italy. The two returned on the same trip with Mr. and Mrs. Joseph Esola, who had also visited relatives in Italy this summer.

Zunino said he found conditions in Italy quite prosperous but with little appreciation for assistance given from the United States. This lack of gratitude, he said, apparently stemmed from the fact that the people as a whole were not kept informed on the source of their aid.

Sister Leaves—Mrs. P. Martini had as her guest her sister, Mrs. Elizabeth Manning of Leavenworth, Kansas, who left for her home today after also visiting in the south and bay districts.

Vote In District Favors Ike; 624 Truckee Ballots

Truckee Electors Ballot
Heavily for "Ike"
In Contest

Six hundred and twenty-four voters swarmed to the three Truckee polls Tuesday to follow the trend of the rest of the state and nation in giving Dwight D. Eisenhower a commanding lead over Adlai Stevenson for president of the United States.

The vote was 328 for Eisenhower and 233 for Stevenson with 51 absentee ballots still to be canvassed.

In view of the fact there was no local issue involved in the balloting, the turnout was heavy, with approximately 80 per cent of the registered voters accepting the challenge. For the first time in many years and with a preponderance of Democratic registrations, the community voted Republican.

Senator William Knowland was given a large complimentary vote against his "third party" opponent, Reuben Borrough. The count here was Knowland 469 and Borrough 49.

Truckee Precinct No. 1, at the elementary school, was the only precinct in this entire district, including North Tahoe and Donner Summit, which voted Democratic. There the vote was 112 for Stevenson and 106 for Eisenhower.

In Precinct No. 2A the count was 107 to 60 in Eisenhower's favor, while 2B gave the victor 115 to 61.

Tahoe City
For a real, all-out, down to earth Eisenhower majority, Tahoe City turned in one of the best record of any precinct in the nation, favoring Ike over Adlai 224 to 66 or nearly four to one. Meeks Bay favored the GOP entry 27 to 11.

The Summit (Kiski) precinct did proportionately as well as Tahoe, giving the president-elect 15 votes to Stevenson's 4, while Soda Springs gave Ike 51 and Adlai 29.

Paoli Favorite
Kings Beach was a little more charitable in its division of votes but still gave Eisenhower a plurality of 82 votes, with a count of 189 to 107.

In the race for county supervisor, the Kings Beach voters favored incumbent Frank Paoli over Lyn Lardner, a former state highway patrolman, with a vote of 196 to 105.

A full report on this area's decision on the 24 legislative amendment propositions is given on another page of the Sierra Sun today.

DRIVERS FINED AS DRUNKS IN TRUCKEE COURT

Two motorists charged with drunk driving appeared before Judge Foster Wilson this week and were assessed a total of \$700 in fines, while a companion of one of the two paid another \$50 for violating the county's sobriety ordinance.

Clarence F. Hale, 45, a railroad employee from San Francisco, was fined \$400 after his arrest by State Patrolman Martin Sturcke. Hale's car was involved in a collision on Donner Summit with a passing car last Thursday but no one was injured. Hale's companion, Louise Walthier, also of San Francisco, was fined \$50 for violating the sobriety ordinance.

Charles William Potter, 2510 P Street, Sacramento, was fined \$300 and ordered to spend 90 days in jail by Judge Wilson after being apprehended by Patrolman William Gausche Friday night east of Truckee. Wilson said Potter admitted prior convictions on the same offense.

If unable to pay the fine, Potter must spend an additional 90 days in jail, Wilson ruled.

TRUCKEE CHAMBER TO MEET TONIGHT

The feasibility of incorporation may occupy the spotlight at tonight's meeting of the Truckee Chamber of Commerce at Brown's Cafe at 6 o'clock dinner. Other matters of importance to the community will be discussed, Reg Smart, president, said, and all members are invited to attend.

TAHOE-TRUCKEE P.T.A. TO MEET

The Tahoe-Truckee P.T.A. will have their next meeting November 13 at 8 p.m. at the high school. The school band, under the direction of Robert Appleton, will present a musical program. Everett O'Rourke will talk with the parents about the planned parent-teacher conferences. Refreshments will be served and it is hoped there will be many parents present.

Football Squad Drops Game To Chester Eleven

Second Game in Row Lost
As Wolverines
Travel

The Tahoe-Truckee High School football team went down to defeat twice in the last two weeks.

On Saturday, October 25, the Wolverines dropped a 26-0 decision to a big and fast Pine Grove eleven from Volcano, Calif.

The Wolverines were unable to move on the ground and enjoyed what little success they had through the airways with Jay Stuart and Jerry Quam throwing to end Bob Tonini. The locals reached the ten yard line only once in the first half via the pass route, only to have the drive stopped when Pine Grove intercepted and went all the way to score their second touchdown.

The half-time score was 19-0. The Wolverines came back in the second half but were not able to stop the hard running backs from Volcano as they ran and passed their way to one more score in the second half.

Chester Game
On Friday, October 31, Tahoe-Truckee traveled to Chester where they suffered their worst defeat by the undefeated Chester squad 50 to 13. Chester, playing the most aggressive ground game the locals have encountered this year, ran up a 27-0 half time lead. The Wolverines did not come alive until the fourth quarter when Jerry Quam connected with Bob Tonini for two long pass plays, each good for six points. Ronnie Sanford kicked the first conversion but missed the second.

The Tahoe-Truckee High School squad was handicapped by injuries right from the start. Jay Stuart, starting left halfback, did not even suit up due to a bad knee and starting center Bill Walker received a back injury on the first play of the game and saw no further action.

The Chester squad, up to the Tahoe-Truckee game, had not had more than six points scored on them by any one team this season. The Wolverines barely missed making it 19 points in the closing seconds of the game. Ronnie Sanford, playing his first game at fullback during the fourth quarter, broke off right tackle and ran 50 yards to the Chester 15 before being dropped from behind.

Portola Finale
A penalty gave Tahoe-Truckee the ball on the one-yard line with 30 seconds of playing time left. Quam and Sanford each tried the line once but failed to gain. Quam then fired a pass to Joe Copeland as the gun sounded but Copeland caught the pass out of the end zone as the game ended, with a final tally of 50 to 13.

The Wolverines finish their 1952 season Friday, November 7, as they meet Portola at Portola. Starting time has been set for 2:30 p.m.

CLUB TREE CREW SEEKS VOLUNTEERS

All volunteers for getting Christmas trees to decorate Truckee for the 20-30 Club will meet at Cliff Ellis' service station at 10 a.m. Sunday morning, November 9, it was announced at last night's session of the club at Brown's Cafe. President Harvey Hocker presided. It was also announced the district convention dates have been advanced from November 8-9 to November 15-16.

Damage Caused by Local Vandals on Halloween

More than \$100 damage to the incinerator at the elementary school was caused by youths celebrating Halloween last Thursday evening. Other minor acts of vandalism were reported to local officers but for the most part the observance was without mishap.

Numerous parties, highlighted by the Rotary Club's annual affair at the Veterans Memorial Hall for the youngsters and a party for adults at Donner Lake Lodge, were held and as usual the young goblins with their "trick or treat" routine were very much in evidence.

SWANEE'S Tahoe Letter

Tahoe City, Nov. 2

Dear Tahoeites:
Last week's mail brought both good and bad news to me, the bad being a letter from Mrs. Mabel Farmer of Burlingame telling me of the death of her mother, Mrs. Mabel Bear of that city. Mrs. Bear was one of Tahoe's earlier pioneer and was the sister-in-law of John T. Clark, builder of Gutha-a-Winga, lakeshore estate in the Sunnyside district, most recently purchased by Mrs. M. G. Best of Woodland. Mrs. Bear will be remembered by Tahoe's older

residents as she visited annually at the lake both in Sunnyside and the Homewood district.

From Half Moon Bay came a cheery letter from former Tahoeite, Captain Hans Hansen, who for many years was caretaker at Rubicon Lodge. He had planned to make a visit to Tahoe last month but was kept so busy he couldn't make it. He hopes surely to make it next year. He does plan a trip to Hollywood this winter though to visit his old friend, Harry Grayson, also well known here. Canton Iverson is still residing with Hans and gets better daily from the injuries incurred in an automobile accident last July. He sends along his very best regards to all his old friends in the Truckee-Tahoe region.

Also have another pretty picture card from the flying Carlton Valentines of Costa Mesa. It was postmarked Heidelberg and was a photo of a lovely resort they were visiting. They had completed a tour of the interesting historical spots around and spent a day going up the Rhine River from Cologne. October 19th was his birthday and they were to spend it in Lucerne, Switzerland.

Want to tell about the surprise communication I received last week from the White House, Washington, D. C., from the President, written by his secretary, Mrs. Joseph (Beth) Short. Some weeks ago I sent the President an enlargement of a picture of the house on the Truckee-Tahoe highway which was flattened by 15 feet of snow last winter. Someone had placed a sign on the ruins reading: "Harry Truman slept here — but not the right night." I always get a grin out of it every time I drive past so, just for fun, I sent the President a letter and the photo showing the sign quite clearly. The President's letter was not long but it was most friendly and assured me he had asked Mrs. Short to thank me for "the good will my communication conveys and the thought in sending along those photographs." It was somewhat of a thrill and certainly a novelty, something that doesn't happen every day.

Mrs. Blanche Donaldson, president of the Women's Club of Tahoe, is much improved. She was rushed to the Tahoe Forest Hospital twice last week but has now returned again to her home near Pineland with orders from her doctor not to go back to work for at least a month and to take life easy from here on. Her many

friends are happy to know she is well on the mend.

Other patients at the Tahoe Forest Hospital last week were Tommy and Johnny Carnell, sons of the Richard Carnells of the Bittencourt tract.

The exodus of Tahoe citizens has been continuing for some time, the latest planning to leave Wednesday being the Howard Guths of Tahoe Lodge. They plan to drive east by the southern route, going by New Orleans and Florida. Then they will go up the east coast to Philadelphia and on over to Columbus, Ohio. There they will visit their son-in-law and daughter, Mr. and Mrs. James Voelkl. The latter are anticipating a new arrival around Christmas so the Guths will remain until the excitement is over. Then they plan to visit his aunt, Mrs. Emma Rathgeber and family at Girard, Ill., and continue on to Palm Springs, Los Angeles and wend their leisurely way back to Tahoe for the rest of the winter.

The Norman Mayfields wrote Tahoe friends from Niagara Falls that they had completed their visit in Illinois and were making their way back toward Tahoe, hoping to be here in time to spend the holidays.

Mr. and Mrs. William Hunter and children, Mary Ellen and Bill, plan to close Baocchi's Inn at Lake Forest for the season and depart for their homes in Lodi this Wednesday. They entertained over 100 persons at their Halloween farewell party and a marvelous time was enjoyed by all. Up for the

occasion were their were their two children and Hunter's parents, Mr. and Mrs. Q. Z. Hunter of Lodi.

Home from a vacation of several weeks in Los Angeles at the home of her mother, Mrs. Molly Ross, is Mrs. Bud Scott. She flew both ways and stopped off in Oakland where she was met by her husband. They visited at the home of his parents, the Bert Scotts of Piedmont, and had dinner while in the bay area with the Clay Shermans, summer residents

of the lake. The Bert Scotts had just returned from a trip east which consumed several weeks.

Mrs. Art Frodenberg is a patient in an Auburn hospital, having been in poor health for some time. Her many friends are wishing her speedy and complete recovery. Leave you for the week and trust Tuesday's election will see our great nation headed for happier days and healthier living. Adios to one and all, as ever, Swanee.

The Donner Community Club, as reported in the last issue, got together and managed to surprise the Crampton family completely with their pot luck dinner. We figure, by the number of plates and eating utensils washed and wiped by School Principal Bill Carriaco and Club Secretary Pat Woodard, that a crowd of upward of 90 attended. All the tables were filled, the stage of the auditorium filled up, then the school desks which had been pushed against the wall. We have never seen a bigger "familyish" crowd than that gathered to tell the choked up Cramptons farewell. The club presented hard working member, Mr. Crampton, a combination electric grill and waffle iron which, some where along the line, he had indicated that he desired. A nominating

committee was appointed to elect officers for next year and that bit of business was practically all that transpired for this was naught but a Crampton party. In honor of the occasion Rev. and Mrs. A. A. Carmichael from Truckee came "over the hill" to bid their good friend au revoir.

We also put Donner Summit Lodge's 8th annual Halloween party on the shelf as a memory. It also had a record breaking crowd of folks from Truckee and Lake Tahoe enjoying the Lodge's hospitality as well as most of the mountain toppers. New owners Johnnie Houtman and Bert Marvich were quite overwhelmed by the turnout.

Coming up — and getting closer! The Dinner Party! We hold in our hand a card addressed strictly to the ladies, and if you don't receive one, take heed, for very often one or two may be missed: "In line with your domestic duties we feel that we should give you plenty of time to think about preparing a

box lunch to be auctioned off at Beacon Hill Lodge on the evening of November 15th. Occasion? The Donner Party! Prizes for the best Pioneer and California Emigrant costumes!!! Signed, The Donner U.S. 40 Chamber of Commerce."

Following up the Mrs. Carl Buek motorcycle deal. As predicted "Pickles" (Mrs. Carl) utilized her new acquisition this past weekend and to our delight, traversed this section of Highway 40 on her two-wheeled motor bike. What a girl!

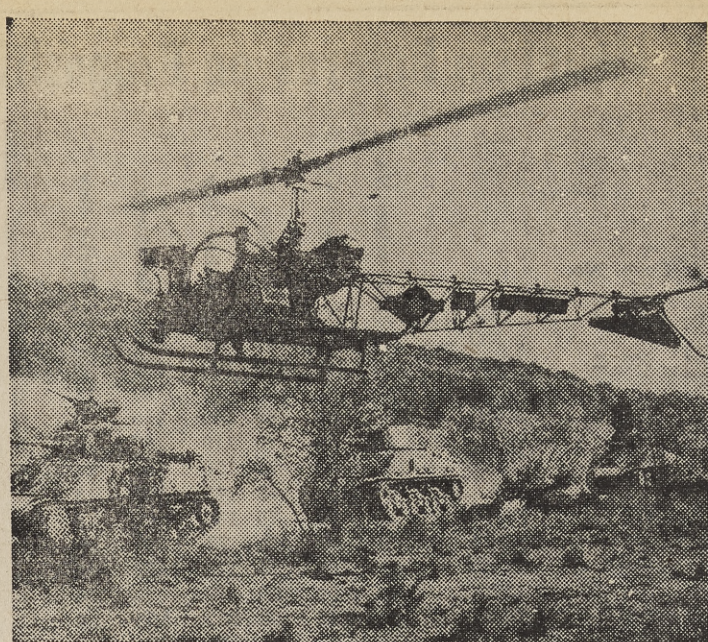

Tom Vicencio of Sierra Gift Shop at Cisco announces that he has two stalls in San Francisco's Civic Auditorium for the International Flower Show, Gardens of the World. Tom has booths 307 and 308, in case you travel to San Francisco for this exhibition between the dates of November 22 and 29.

In case you have a little boy that likes to explore and tastes his way along, send him to Rickiey Misener. Rick, who went exploring Sunday afternoon, came across a nice beautiful, red, dried chili pepper. Not content with viewing the delightful object, Rick broke it open and sampled a seed. It took Mama Wanda and myself a good hour to put out the fire and the swollen faced little boy, we think, would warn other similar explorers to view and not touch.

Hear that Edvi Aro of Donner Ski Ranch Ski School is becoming a first class orator for he made a darned good speech at the FWSA meet last week in Sacramento. Speaking of Edvi and the Ski Ranch, you're going to have a chance to meet Edvi's two new ski instructors shortly, Eric and Oystein Holter. Both of these boys are certified under Norway's Royal Ski Association which, by the way, is a civil service deal in that country, only five being certified a year. Eric, we hear is a portrait artist of note in the San Francisco area, and was also the instructor for the royal family of Sweden. Oystein comes to the area from Timberline, where instructed last season.

Dropping into the election board room at Donner Summit Lodge where we served on the long drawn out hours of a record breaking election last Tuesday, Dennis and Muriel Jones wanted to find out what was cooking. On quizzing some of our voters we found out that five had cast their votes for the very first time, some who had just reached their majority and others who flatly stated that they had "never to vote before." It's amazing how many neighbors you never see, even in a small community, until election day.

Ernie Tschopp, who has spent the summer months in the eastern part of the nation in good, enjoyable employment, returns to Day and the children for a short time. After a physical check up, Ernie expects to return. From Sunnyvale comes a letter from Rita and Bill Vail, who have set-

a regular, old fashioned, plain ham sandwich all the more!"

From where I sit, stories like "right" hams being tougher than "left" ones are with us because some people get ideas into their head and hang onto them for dear life. It's like those who think an adult like myself hasn't the right to a glass of beer with my supper. I say let's keep our opinions free from being "sandwiched-in" by misinformation.

The North Tahoe Woman's Club will sponsor a dance to be given November 21 at the Carpenter's Hall in Kings Beach. There will be a skit entitled "Side Show." Judge-

ing from past skits put on by the gals, "Side Show" should be all that the name implies. Admission: adults 75 cents, children 35 cents. There will be a cake sale and other attractions. Also up for auction will be a deep well fryer, a little red wagon and a lovely little doll. Remember the date and keep it free for this gala event.

For benefit of our out of town readers, those who are out for the winter months: Weather is perfect! Sunshine, stars, moonlight, warm days, cool nights, blue skies, a lake of a thousand moods! How can you stay away from home?
